

Julia Prus

Finance | Development & Social Impact
Hong Kong SAR, China / Warsaw, Poland | prusjula@gmail.com | [LinkedIn](#)

Finance and International Relations student at the University of Hong Kong, with experience across youth-led NGOs, gender equality and international development. Former gender-equality advisor in Polish youth politics; designed health workshops with women in rural India; and advised local businesses in Bohol, Philippines through HKU's Transformative Business Immersion.

EXPERIENCE:

The Women's Foundation Hong Kong — Intern, Events & Development *September 2026 – Present*

- Support corporate partnership enquiries and new partner communication.
- Contribute to the foundation's CRM implementation across communications and partnership records.
- Help deliver flagship events, including the annual Gala.

Transformative Business Immersion · HKU Business School — Consulting Intern *June 2026*

- Consulted local businesses in the Philippines through BUSI2816, a field course in developing economies.
- Delivered business development advisory to a local ice cream business in Jagna, Bohol, focused on operational efficiency and market visibility.
- Worked within limited working capital, supply-chain uncertainty and informal market dynamics.

SML Foundation — Board Member & Project Manager *March 2024 – March 2026*

- Served on the board of a youth-led registered NGO supporting girls aged 15–25 in rural Poland.
- Managed Leaders Around the World (2 editions; 60+ participants from five continents) and supervised Lokalne Liderki (2 editions; 35 projects, 200+ girls).
- Built the Young Leaders' Network, a community of 500+ women.
- Designed and built the SML community platform with Claude Code (sml-community.netlify.app).

MDDP Polish Tax Advisory — Summer Intern, International Taxes *June 2025 – July 2025*

- Worked with the international tax team.
- Reverse-mentored CEO Tomasz Michalik on Gen Z perspectives and workplace expectations.
- Designed a Gen Z inclusion strategy for the firm.

Amaavasya — Co-coordinator *August 2023 – January 2025*

- Coordinated 30 women from rural India and UWC Mahindra College students.
- Designed female health workshops focused on period poverty and reusable menstrual products.
- Worked with a nurse, doctor, female NGO founder and village leader to deliver the workshops.
